Honey sorts

1. Flower honey

From the following flowers depending on the season time:

1. Coffee – This honey has the highest price among the flower honey.
2. Cashew
3. Longan – only in May - July and November.
4. Rambutan
5. Litchi – This honey is exploited only at the North of Vietnam.

2. Leaves honey

Rubber honey (honeydew –leaves honey). This honey is exploited directly from rubber tree when it changes its young leaves every year reckoning from Feb. - May.
